Responsibilities

- Diagnose faults and undertake repairs to static caravans, including plumbing, electrical, joinery, and general maintenance tasks.
- Fit and replace components, fixtures, and appliances as required.
- Ensure all work is completed to health and safety standards.
- Maintain accurate records of repairs and parts used.
- Work with colleagues and managers to prioritise jobs effectively.
- Provide a high level of customer service when interacting with clients.

Skills and Experience

- Carpentry and Joinery Experience, Such as Kitchen/Bathroom fitting
- Proven experience in static caravan, or similar repair and maintenance work.
- Basic Plumbing knowledge
- Strong diagnostic and problem-solving skills.
- Ability to work independently and manage workload effectively.
- Full driving licence.

Personal Qualities

- Practical and hands-on approach.

- Strong attention to detail.
- Good communication and interpersonal skills.
- Reliable, organised, and flexible.
- Commitment to delivering quality service.
